MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)

The operations of your Company during the financial year 2015-16 mainly include:

- a. Ongoing Strategic investments in pharmaceuticals and wellness management;
- b. Pharmaceuticals; Research, development and product delivery across biotechnology and environmental solutions are pursued through its subsidiary, Fermenta Biotech Limited (FBL); and
- c. Property rentals, treasury operations and production of motion pictures.

This MD&A section as discussed below, includes the management perspective and operational performance of the Company and its subsidiary, FBL.

The MD&A pertaining to pharmaceutical, biotech and environmental solutions are as follows:

Industry perspective:

In the backdrop of reforms initiated by the new government, interspersed with improved economic scenario, the Indian pharmaceutical sector is poised to consolidate its position as a key contributor to the global pharmaceutical industry. The Indian pharmaceutical sector accounts 2.4% of the global pharmaceutical industry in terms of value and 10% in terms of volume, including 20% contribution in global generics export. Factors like increased incidence of lifestyle and age related diseases have propelled the market demand dynamics while the improved technology in Active Pharmaceutical Ingredients (API) manufacturing processes with integrated novel processes including enzymatics have helped greatly to bridge the supply demand gap. The global API market is expected to touch US\$ 2051.51 billion by 2020 from US\$ 150 billion in 2015, with an expected Compound Annual Growth Rate (CAGR) of 6.5% during the forecasted period.

Indian biotechnology space is on a growth trajectory and has competitive advantage to expand across different business verticals in the ensuing years. Presently, the Indian biotech sector accounts 2% of the global biotech business. The Indian biotechnology industry, is valued at US\$ 7 billion and growing at a CAGR of 30%.

The active participation of the Government in effectively implementing the waste water discharge norms across municipal bodies, industrial, commercial and residential users has been the proactive driver for expanding the environmental solution segment. The above initiatives combined with public awareness and the accessibility to new age remediation technologies have nurtured a conducive environment for public-private participations as well as large scale corporate commitment in this segment.

Performance:

Despite the sustained business challenges, FBL stood its ground to post a standalone gross revenue of ₹14,973.46 lakhs, (Previous year ₹12,931.10 lakhs). The profit before tax for the year under review was ₹1,617.54 lakhs (previous year ₹189.40 lakhs) and profit after tax was ₹1,188.92 lakhs for the year under review

as against ₹32.60 lakhs in the previous year.

FBL's consolidated financials recorded revenue of ₹14,974.60 lakhs in the financial year 2015-2016 (Previous year ₹12,931.10 lakhs). The profit after tax was ₹1,180.76 lakhs as against ₹25.43 lakhs in the previous year.

Opportunities and Outlook:

The Indian pharmaceutical sector is growing at CAGR of 16.5%. Sustained and balanced growth is driven by various market demands like more prevalent lifestyle diseases, prolonged diseases management, affordable health care coupled with health insurance spectrum and preventive medicines. Cost advantages and availability of technical and skilled personnel in India are the key factors in projecting India as a major manufacturing hub for generic. India's generic accounts 20% of global exports in terms of volume, making our country as the largest provider of generic medicines globally.

The global industrial enzyme market is growing at a CAGR of 5%, which spans across various segments like food, pharma, textiles, feed and fine chemicals. The Indian enzyme players are experiencing a critical business momentum towards focused R&D and knowledge based innovation efforts in providing novel, eco-efficient enzymatic solutions to enable competitively sustainable processes. The industrial biocatalysis using enzymes for various antibiotics as well as valued added products is at a tipping point, which has already gone as a mainstream process and the commitment of more players into this new age manufacturing platform adds fillip to business competitiveness.

Stringent implementation of waste disposal standards across various industries, in combination with increased government participation on water reuse and recycling, is widening the business horizon for water & waste management and recycling segments. With a market size of over US\$ 4 billion, the Indian water and wastewater market is growing at 10-12 % a year.

Moving forward, FBL's increased production capacity combined with process efficiency will help to consolidate and to sustain its competitiveness advantages, amortize fixed cost effectively and will enhance the confidence of clients seeking long term supply arrangements. FBL continues to improve its

innovation, overall operational efficiency, widen its distribution network and to achieve increased market footprints, globally.

Threats and Concerns:

The Indian pharmaceutical industry has been facing stiff competitions from its Asian competitors which may be a constant feature going forward. Indian APIs manufacturers are working on various methods to mitigate the competitive strategies of the Asian competitors and one such major attempt is to reduce its dependency in relation to import of bulk drugs from Asian competitors.

Aggressive marketing strategy from principal competitors could affect short term realizations of FBL. Volatile price fluctuations of key raw materials may affect the overall pricing in general and more specifically of enzymatic products.

Implementation of environment projects with stringent regulatory norms and adherence to timelines has been challenging. Procuring and executing customized projects with specific requirements would be the key to stay competitive in environment business.

PROPERTY DEVELOPMENT AND RENTALS

Industry Perspective:

As reported earlier, the Government of Maharashtra introduced its new Information Technology/ Information Technology Enabled Services (IT/ITES) Policy in 2015. Further, in 2016, the Maharashtra Government has substantially broadened the definition of 'back office operation' by amending the IT/ITES Policy, 2015. The new back office operation definition includes administrative and support services of banks, insurance companies, mutual fund and non-banking finance companies and other support services.

With the introduction of the Real Estate (Regulation and Development) Act, 2016; this sector will witness regulated protection of interests of stakeholders and promote overall growth of the real estate sector in India.

The Union Budget 2016 has been reasonably conducive to real estate segment by taking into consideration

some of the sector's requirement though not in entirety. Fast growth of infrastructure, competitive rentals, better connectivity and proximity to important commercial and industrial areas in the Mumbai Metropolitan region, Thane's commercial office sector expects significant gains in the coming years.

Performance:

In 2015-16, your Company reported a decrease in rental income from ₹1,065.54 lakhs in the previous year to ₹613.31 lakhs in the year under review. Low revenue earnings in this segment are mainly due to the impact of no rent fit out period in Thane One, non renewal/termination of existing Licence agreements and stagnancy in rental income from Company's property.

The Occupation certificate for the Company's IT/ITES project, Thane One was issued by the Thane Municipal Corporation on December 31, 2015.

Opportunities and Outlook:

Planned developments, easy connectivity, good infrastructural supports and working class residents have projected Thane as a viable option to corporate houses to relocate their offices in and around Thane. Competitive rentals and minimizing commuting time between office and home – walk to work concept – in Thane are viewed positively by the business entities. These developments, coupled with overall improvement in the office space rentals and the convenient location of Thane One, would contribute to yield better rentals in Thane One office space activities.

Challenges and Concerns:

Delays in government approvals process and lack of a single-window clearance system mainly hinder completion of projects as per the planned time schedule. Delay in completion of projects leads to escalation of total project cost *vis a vis* interest cost. High cost of borrowings is also a major challenge to the real estate sector. Matching needs of demanding and cost conscious clients and to close such transactions is challenging in the growing and competitive office rental space.

ENTERTAINMENT DIVISION

(WHITE STRIPES ENTERTAINMENT):

Industry Perspective:

The Indian media and entertainment sector grew 12% to reach \$25.13 billion (₹1.68 trillion) in 2015, according to Pricewaterhouse Coopers (PwC)'s Global Entertainment and Media Outlook 2016-20. This industry is expected to exceed US\$ 40 billion by 2020 growing at an average annual rate of 10.3% between 2016 and 2020. In terms of admission, India will remain the largest cinema market in the world till 2020, with a CAGR of 6.6%.

Performance:

In 2015-16, the Company has entered into a strategic partnership with an Indian entity to produce a hindi film which is currently under production. Creating good content and owning intellectual rights are the areas identified by the company to meet the future industry requirement and to mitigate the challenges of the industry in order to expect good returns in the future.

Opportunities and Outlook:

The Indian film industry is expected to touch US\$3.4 billion by 2019, at a CAGR of 11.2 per cent. Increasing digital screens and innovative screening of films are expected to propel the growth of the industry. Government's policies like ease of doing business and amending regulations to suit the requirements of the entertainment industry will foster the growth of the sector. With these changing industry landscapes, White Stripes would evaluate projects, including the strategic partnership with an international production house for the Company's remake rights.

Concerns and challenges:

Considering the population and appetite for cinema, India remains underserved in terms of multiplexes and screens in the country. Screen growth, high tax structure and real estate prices are impacting the growth of the entertainment industry. Increased competition from regional and foreign films and menace of piracy has been affecting the revenues of this industry. Unless the film fraternities join hand, piracy shall remain a nagging problem.

Treasury Operations:

As reported earlier, the Company has been divesting

its mutual funds and fixed deposits investments on need basis to meet the project cost of Thane One. In the year under review, the investment committee evaluated investment proposals in terms of the approved principles and statutory regulation governing such investments. In 2015-16, the revenue earned from treasury operations dropped to ₹114.64 lakhs (Previous year ₹281.25 lakhs), mainly due to divestment of investment corpus.

INTERNAL CONTROL SYSTEMS

The Company maintains appropriate internal control systems, commensurating to its size, nature of operations, reporting(s) and compliance with applicable laws and Company's procedures. The Company's internal control systems are routinely tested and certified by Statutory as well as Internal Auditors. During the year under review, the Company's Internal auditors, M. M. Nissim & Co., Chartered Accountants, conducted and reported the effectiveness and efficiency of these systems including the adherence of procedures as per the policies of the Company.

The Company has a well staffed, experienced and qualified Finance Department who plays an important role in implementing and monitoring the internal control procedures and compliance with statutory requirements. The Audit Committee and the Board of Directors reviews the report(s) of the independent Internal Auditor at regular intervals along with the adequacy and effectiveness of Internal Control systems and suggest improvements and corrective actions.

HUMAN RESOURCES

The Company continues to focus on-the-job trainings, competency building, reward and retention programmes. Mapping competencies and performance management of employees are conducted through various innovative programmes for development and operational growth of the employees and the Company.

The Company conducts various relation building activities outside of routine job responsibilities with an objective to improve employees' motivation and to reinforce employer and employees trusting relationship.

Your Company continues to provide a safe working environment for its employees. The Company has framed a code on 'Redressal of Grievances regarding sexual harassment' and has constituted an 'Internal Complaints Committee' for redressal of grievances as per the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the rules made there under. There were no cases / grievances reported or pending during the year under review.

INFORMATION TECHNOLOGY:

Information Technology (IT) continues to support business operations in the Company, through continued investment in the enterprise wide ERP platform including Data Reporting. The Company's IT Team manages various locations with state-of-the-art technology and has been incorporating new technologies into the system. In addition, mobility solution and support has played a key role in achieving improved deliverables in Company's operations and objectives. Your Company continues to drive resilience through targeted remediation of high risk operating systems, applications and its related areas. Annual Application & Control audits are undertaken to ensure consistent remediation of any business and process risks. Alongside

the investment in technology, the Company is also improving its service management processes to prevent any defects in the IT environment and to enable faster resolution of any such incidents with minimum business disruption.

**PRACTISING COMPANY SECRETARIES' CERTIFICATE ON COMPLIANCE OF THE CONDITIONS
OF CORPORATE GOVERNANCE FOR THE YEAR ENDED 31ST MARCH, 2016**

**To The members of
DIL Limited**

We have examined the compliance of regulations of Corporate Governance by DIL Limited ('the Company') for the year ended on March 31, 2016, as stipulated in Regulations Part C of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of regulations of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the management, we certify that the Company has complied with the regulations of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

To

The Members of DIL Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of DIL Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for qualified opinion

The Company has made investments in two associates to the tune of ₹1,009 lakhs, where the networth of these companies have substantially been eroded. However, Company has not made any detailed evaluation of diminution in the value of these investments in the standalone financial statements considering the view that these are long term investments and profitability will be achieved by these entities over a period of time and hence no permanent diminution is deemed necessary. In the absence of sufficient appropriate audit evidence, we are unable to comment upon the impact, if any, of such diminution on the financial statements.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give

a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, of its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and, except for the matter described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of section 164 (2) of the Companies Act, 2013;
 - (f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 36 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Annexure 1 – Statement on matters specified in paragraphs 3 and 4 of the Companies (Auditor’s Report) Order, 2016

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given by the management, the title deeds of immovable properties included in fixed assets are held in the name of the Company except for the land held in trust by the directors of the Company.
- (ii) The nature of the business of the Company is such that it does not have inventory in tangible form. Accordingly, the requirements under paragraph 4(ii) of the Order are not applicable to the Company.
- (iii) (a) According to the information and explanations given to us, we are of the opinion that the terms and conditions of loans granted by the Company to a subsidiary covered in the register maintained under section 189 of the Companies Act, 2013, having maximum balance during the year and year-end balance of ₹157 lakhs, are prejudicial to the interest of the Company since the interest rate charged is significantly lower than interest rate at which the Company is borrowing.
 - (b) The Company has granted loans that are re-payable on demand, to a firm covered in the register maintained under section 189 of the Companies Act, 2013. The loans granted are re-payable on demand. We are informed that the Company has not demanded repayment of any such loan during the year, and thus, there has been no default on the part of the parties to whom the money has been lent. The payment of interest has been regular.
 - (c) There is no amounts of loans granted to companies, firms or other parties listed in the register maintained under section 189 of the Companies Act, 2013 which are outstanding for more than ninety days.
- (iv) In our opinion and according to the information and explanations given to us, provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans to directors including entities in which they are interested and in respect of loans and advances given, investments made and, guarantees, and securities given have been complied with by the Company.
- (v) The Company has not accepted any deposits from the public.
- (vi) To the best of our knowledge and as explained, the Company is not in the business of sale of any goods. Therefore, in our opinion, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees’ state insurance, income-tax, sales-tax, service tax, customs duty, value added tax, cess and other material statutory dues applicable to it.
 - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees’ state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
 - (c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of the Statute	Nature of dues	Amount (₹ in Lakhs)*	Period to which the amount relates	Forum where dispute is pending
The Bombay Sales Tax Act	Sales Tax	–	1995-1996	High Court, Bombay
The Gujarat Sales Tax Act	Sales Tax and Penalty	4.34	1992-1994	Sales Tax Appellate Tribunal
Central Excise Act, 1944	Service tax and Penalty	18.75	2000-2001	High Court, Bombay

* Net of payments made under protest

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to a financial institution, bank or debenture holders.
- (ix) In our opinion and according to the information and explanations given by the management, the Company has utilized the monies raised by way of term loans for the purposes for which they were raised.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company and, not commented upon.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- (xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

Annexure 2 – To the independent auditor’s report of even date on the standalone financial statements of DIL Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of DIL Limited (“the Company”) as of March 31, 2016, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an Audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and

directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness has been identified as at March 31, 2016:

We report that the Company did not have an appropriate internal control system for review of recoverability of long term investments which could potentially result in the Company not recognising the diminution in the value of its long term investments on a timely basis.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2016.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone financial statements of DIL Limited, which comprise the Balance Sheet as at March 31, 2016, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. This material weakness was considered in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 standalone financial statements of DIL Limited and this report affects our report dated May 27, 2016 which expressed a qualified opinion on those financial statements.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. Corporate information

DIL Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange. The Company is engaged in the business of renting properties, motion film production and distribution and in treasury operation. Treasury operation mainly includes investment of surplus funds. The Company also has strategic investments in subsidiary / associate companies primarily dealing in manufacturing of bulk drugs and providing services of sporting and health awareness/education activities and in joint ventures dealing in manufacturing of wheelchairs based on Levitation Movement Technology and Motion Films Production.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 Summary of significant accounting policies

(a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

The Company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

(c) Depreciation on tangible fixed assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated over their useful lives; the remaining asset is depreciated over the life of the principal asset. The Company has used the following rates to provide depreciation on its fixed assets.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

	Estimated useful life (in years)
Building	
On freehold land	60
Leased improvements/Facade	30
Roads/hardscaping works	10
Plant & Machinery	15
Computers	3
Furniture & Fixtures	6
Vehicles	8

(d) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

	Estimated useful life (in years)
Film rights	5
Computer software	6

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(e) Impairment of tangible and intangible asset

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

(f) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(g) Inventories

Work-in-progress is valued at lower of cost and net realizable value. Cost is determined based on actual expenditure incurred.

(h) Retirement and other employee benefit

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund is charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

The Company operates defined benefit gratuity plan for its employees. Employees are entitled to benefits under the payment of Gratuity Act 1972, a defined benefit plan. The plan provides for a lump-sum payment to eligible employees at retirement, death, incapacitation or on termination of employment, of an amount based on the respective employee's salary and tenure of employment. The gratuity liability and net periodic gratuity cost is actuarially determined at the year end based on the projected unit credit method after considering discount rates, expected long term return on plan assets and increase in compensation levels. All actuarial gains/losses are immediately recorded to the Statement of Profit and Loss and are not deferred. The Company makes contributions to a fund administered and managed by Life Insurance Corporation of India ('LIC') to fund the gratuity liability. Under this scheme, the obligation to pay gratuity remains with the Company, although LIC administers the scheme.

The Company also provides other long term benefit for compensated absences. Liability for long term compensated absences are provided for based on actuarial valuation done as per projected unit credit method at the year end.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Rental income from operating leases (net of any incentives given to the lessees) is recognized on a straight-line basis over the lease term.

Interest income on loans and deposits is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Gain or loss on the sale of equity and redemption of mutual fund units are recognized on accrual basis.

Revenue from licensing of motion film is recognized in accordance with the licensing agreement or physical delivery of the motion film, whichever is later.

Interest on income tax refund is recognized on receipt of the refund order.

Company provides Infrastructure support services (Refer note 19) as per contractual obligation and the income from such services are recognized on proportionate basis as and when the services are rendered, in accordance with the arrangement entered into as per contracted rates. The Company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

(j) Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange difference

All exchange differences are recognized as income or as expenses in the period in which they arise.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

(k) Leases

As Lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating lease. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

As Lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, initial direct costs such as legal costs, brokerage costs, etc., are recognized as an expense in the statement of profit and loss.

(l) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

For recognition of deferred taxes, the timing differences which originate first are considered to reverse first. At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date.

The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

(m) Provisions

A provision is recognized when the Company has a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(n) Contingent liabilities

Contingent assets are not recognized in the financial statements of the Company. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare case where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(o) Earnings per share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity shares, and accordingly, the basic earnings per share and diluted earnings per share are the same.

(p) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

(q) Segment Reporting

Identification of segments :

The Company's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different services. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operates.

Allocation of common costs :

Common costs are treated as unallocable costs.

Unallocated items :

Includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies :

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

(r) Measurement of EBITDA

The Company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. In its measurement, the Company does not include depreciation and amortization expense, finance costs, interest income and tax expense.

(s) Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Independent Auditor's Report

To
The Members of DIL Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of DIL Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, comprising of the consolidated Balance Sheet as at March 31, 2016, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph (a) of the Other Matters below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for qualified opinion

The accompanying consolidated financial statements include total assets of ₹65.61 lakhs as at March 31,

2016, total revenues of ₹0.01 lakhs and net loss of ₹0.08 lakhs for the year ended on that date, in respect of two jointly controlled entities, which have not been audited and have been consolidated in the consolidated financial statements based solely on the unaudited separate financial statement certified by the management. The consolidated financial statements also include the Company's share of net loss of ₹54.87 lakhs for the year ended March 31, 2016, in respect of two associates, which have not been audited and have been consolidated in the consolidated financial statements based solely on the unaudited separate financial statement certified by the management. Accordingly we are unable to comment on the impact of the same on the consolidated financial statements if the same had been audited and corresponding impact on paragraph 1 under the report on other legal and regulatory requirements below.

Qualified opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at March 31, 2016, of their consolidated loss and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, to the extent applicable, we report that:
 - (a) Except for the matter described in Basis for Qualified Opinion paragraph and the other auditors whose reports we have relied upon, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - (b) Except for the matter described in Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as appears from our examination of those books and the reports of the other auditors;
 - (c) Except for the matter described in Basis for Qualified Opinion paragraph above, the consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the auditors who are appointed under Section 139 of the Act, of its subsidiary companies, associate companies and jointly controlled companies incorporated in India, none of the directors of the Group's companies, its associates and jointly controlled companies incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act except in relation to two jointly controlled entities and two associates where the auditors' report is not available as noted in our paragraph of qualified opinion above.
 - (f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above;
 - (g) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies, associate companies and jointly

- controlled companies incorporated in India, refer to our separate report in "Annexure 1" to this report;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. Except for the possible effect of the matter described in Basis of Qualified Opinion paragraph above, the consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, its associates and jointly controlled entities- Refer Note 36 to the consolidated financial statements;
 - ii. Except for the possible effect of the matter described in the Basis of Qualified Opinion paragraph above, The Group, its associates and jointly controlled entities did not have any material foreseeable losses on long-term contracts including derivative contracts;
 - iii. Except for the possible effect of the matter described in the Basis of Qualified Opinion paragraph above, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries, associates and jointly controlled companies incorporated in India.

Other Matter

- (a) The accompanying consolidated financial statements include total assets of ₹213.98 lakhs as at March 31, 2016, total revenues of ₹3.54 lakhs and net loss of ₹27.10 lakhs for the year ended on that date, in respect of certain subsidiaries, which have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Annexure 1 – To the independent auditor’s report of even date on the consolidated financial statements of DIL Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of DIL Limited as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of DIL Limited (hereinafter referred to as the “Holding Company”) and its subsidiary companies, and its associate companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, “the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on the report issued by other auditors on internal financial controls system over financial reporting in case of its subsidiary companies and its associate companies, which are companies incorporated in India, the following material weakness have been identified as at March 31, 2016:

The Holding Company did not have an appropriate internal financial control system for review of recoverability of long term investments which could potentially result in the Company not recognising the diminution in the value of its long term investments on a timely basis.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the holding company's annual or interim consolidated financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria in respect of the Holding Company, its subsidiary companies, and its associate companies, which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to three subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies and in case of two associate companies incorporated in India whose reports of auditors are not furnished to us.

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India as specified under section 143(10) of the Act, the consolidated financial statements of the Holding Company, which comprise the Consolidated Balance Sheet as at March 31, 2016, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated May 27, 2016 expressed a qualified opinion thereon.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

d) Basis of consolidation

These consolidated financial statements include the financial statements of DIL Limited, its subsidiaries and proportionate share in joint venture as at March 31, 2016.

The following subsidiaries, associates and joint venture have been considered:

Name of the subsidiaries	Country of Incorporation	2015-16 % shareholding	2014-15 % shareholding
Fermenta Biotech Limited *	India	72.09%	72.09%
Fermenta Biotech (UK) Limited (100% subsidiary of FBL)	United Kingdom	72.09%	72.09%
G.I. Biotech Private Limited (62.50% Subsidiary of FBL)	India	45.06%	45.06%
Aegean Properties Limited	India	100.00%	100.00%
CC Square Films Limited	India	100.00%	100.00%

Zela Wellness Private Limited	India	49.00%	49.00%
Name of the joint venture			
VasKo Glider s.r.o.	Czech Republic	50.00%	50.00%
Agastya Films LLP.	India	50.00%	–

* excludes shares issued to ESOP Trust but not allotted to employee as per guidance note on Accounting for Employee Share based payments issued by the Institute of Chartered Accountants of India.

These consolidated financial statements are prepared in accordance with the principles and procedures prescribed by Accounting Standard - 21 'Consolidated Financial Statements' ('AS - 21'), Accounting Standard - 23 'Accounting for investment in Associates in 'Consolidated Financial Statements' ('AS - 23') and Accounting Standard - 27 'Financial Reporting of Interest in Joint Ventures' ('AS- 27') as per Companies (Accounting Standard) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013 for the purpose of preparation and presentation of financial statements.

The financial statements of the Group have been combined on a line-by-line basis by adding together the book values of items like assets, liabilities, income and expenses after eliminating intra-group balances/transactions and resulting unrealized profits in full for subsidiaries. The 50% share in assets, liabilities, income and expenses as appearing in the financial statements of joint venture have been combined on line-by-line basis after eliminating intra-group balances/transactions and resulting unrealized profits on proportionate basis. The amounts shown in respect of accumulated reserves comprises the amount of the relevant reserves as per the balance sheet of the parent company and its share in the post acquisition increase / (decrease) in the relevant reserve, accumulated deficit of its subsidiaries.

Share of minority interest is adjusted against the profit to arrive at the net profit attributable to shareholders. Minority interest in share of net assets is presented separately in the balance sheet.

The cost of investment in associates, over the net assets at the time of acquisition of the investment in the associates is recognized in the financial statements as goodwill or capital reserve, as the case may be. Goodwill is tested for impairment annually. The carrying amount of investment is adjusted thereafter in the post acquisition change in the group's share of net assets of the associates. The consolidated statement of profit and loss includes the group's share of results of the operations of the associates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

A change in the ownership interest of a subsidiary, without a loss of control is accounted for as an equity transaction.

The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Company for its independent financial statements.

2.1 Summary of significant accounting policies

a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

The Company identifies and determines cost of asset significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

(c) Depreciation on tangible fixed assets

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated over their useful lives; the remaining asset is depreciated over the life of the principal asset. The Company has used the following rates to provide depreciation on its fixed assets.

	Estimated useful life (in years)
Lease hold land	30
Building	
On freehold land	30-60
Leased improvements/Facade	9-30
Roads/hardscaping works	10
Plant & Machinery	10-20
Office Equipment	5
Computers	3-6
Furniture & Fixtures	6-10
Vehicles	8-10

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

(d) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

	Estimated useful life (in years)
Film rights	5
Computer software	6
Development cost	3-5

Development expenditure incurred on an individual project is recognized as an intangible asset when the Company can demonstrate: (i) the technical feasibility of completing the intangible asset so that it will be available for use or sale; (ii) its intention to complete the asset and use or sell it; (iii) its ability to use or sell the asset; (iv) how the asset will generate probable future economic benefits; (v) the availability of adequate resources to complete the development and to use or sell the asset; and (vi) the ability to measure reliably the expenditure attributable to the intangible asset during development.

Any expenditure so capitalized is amortized over their estimated useful lives of three to five years on a straight line basis.

The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 "Net Profit or Loss for the Period", Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(e) Impairment of tangible and intangible asset

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

(f) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(g) Inventories

Inventories are stated at lower of cost and net realizable value.

Cost is determined as follows:

- a) Stores and spare parts: - First-in-first-out method.
- b) Raw materials and packing materials: - Cost is determined on a weighted average basis.
- c) Intermediate raw materials, work-in-process and finished goods:- Cost includes direct materials determined on the basis of weighted average method and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.
- d) Inventory of under production film is valued at actual cost incurred. The cost of production is charged to revenue at the time of first release of film.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(h) Retirement and other employee benefit

Retirement benefit in the form of provident fund and superannuation fund is a defined contribution scheme. The contributions to the provident fund and superannuation fund is charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund and superannuation fund.

The Company operates defined benefit plan for its employees viz. gratuity. Employees are entitled to benefits under the Payment of Gratuity Act 1972, a defined benefit plan. The plan provides for a lump-sum payment to eligible employees at retirement, death, incapacitation or on termination of employment, of an amount based on the respective employee's salary and tenure of employment. The gratuity liability and net periodic gratuity cost is actuarially determined at the year end based on the

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

projected unit credit method after considering discount rates, expected long term return on plan assets and increase in compensation levels. All actuarial gains/losses are immediately recorded to the statement of profit and loss and are not deferred. The Company makes contributions to a fund administered and managed by Life Insurance Corporation of India ('LIC') to fund the gratuity liability. Under this scheme, the obligation to pay gratuity remains with the Company, although LIC administers the scheme.

The Company also provides other long term benefit for compensated absences. Liability for long term compensated absences are provided for based on actuarial valuation done as per projected unit credit method at the year end.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Interest income

Interest income on loans and deposits is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Rental income

Rental income from operating leases (net of any incentives given to the lessees) is recognized on a straight-line basis over the lease term.

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Export Incentive

Duty free imports of raw materials under Advance Licence for imports as per the Import and Export Policy are matched with the exports made against the said licenses and net benefit / obligation is accounted by making suitable adjustments in raw material consumption. The benefit accrued under the Duty Drawback, Merchantile Export Incentive Scheme and other schemes as per the Import and Export policy in respect of exports made under the said schemes is included as 'Export Incentives' under the note "other operating revenue" in the statement of profit and loss.

Dividend income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Other Operating Income

Gain or loss on the sale of equity and redemption of mutual fund units are recognized on accrual.

Revenue from licensing of motion film is recognized in accordance with the licensing agreement or physical delivery of the motion film, whichever is later.

Interest on income tax refund is recognized on receipt of the refund order.

Income from services are recognized on proportionate basis as and when the services are rendered, in accordance with the arrangement entered into as per contracted rates. The Company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.

(j) Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange difference

All exchange differences are recognized as income or as expenses in the period in which they arise.

Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

Exchange differences arising on other long-term foreign currency monetary items are accumulated in the "Foreign Currency Translation Reserve".

(k) Leases

As Lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating lease. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

As Lessor

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, initial direct costs such as legal costs, brokerage costs, etc., are recognized as an expense in the statement of profit and loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

(I) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

For recognition of deferred taxes, the timing differences which originate first are considered to reverse first. At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date.

The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

The bulk drugs production facility of the Company's subsidiary (FBL) in Kullu, Himachal Pradesh, is eligible for deduction of 100% of profits until March 31, 2008 and 30% of profits from April 1, 2008 to March 31, 2013, under section 80IB of the Income Tax Act, 1961. Secondly FBL's bulk drug facility at Dahej, Gujarat, is eligible for deduction of 100% of profit until March 31, 2016 and 50% of the profits from April 1, 2016 to March 31, 2021, under section 10(AA) of the Income Tax Act, 1961. In view of such deduction, no asset has been recognized in respect of the Minimum Alternate Tax (MAT) credit available. In the year in which MAT credit becomes eligible to be recognized as an asset in accordance with recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the statement of profit and loss

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

and shown as MAT credit entitlement. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal tax under specified period.

(m) Provisions

A provision is recognized when the Company has a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(n) Contingent liabilities

Contingent assets are not recognized in the financial statements of the Company. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare case where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(o) Earnings per share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity shares, and accordingly, the basic earnings per share and diluted earnings per share are the same.

(p) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

(q) Segment Reporting

Identification of segments :

The Company's operating businesses are organized and managed separately according to the nature of services provided, with each segment representing a strategic business unit that offers different services. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Allocation of common costs :

Common costs are treated as unallocable costs.

Unallocated items :

Includes general corporate income and expense items which are not allocated to any business segment.

Segment Policies :

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(r) Excise Duty

Excise duty on turnover is reduced from turnover. Excise duty relating to the difference between the opening stock and closing stock is recognized as income/expense as the case may be, separately in the statement of profit and loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

(s) Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

(t) Measurement of EBITDA

The Company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. In its measurement, the Company does not include depreciation and amortization expense, finance costs and tax expense.

3. For detailed instructions on remote e-voting, please refer to the Notes appended to the Notice of Annual General Meeting.
4. The Scrutinizer will collate the votes downloaded from the remote e-voting system and votes received through Ballot Form to declare the final result for each of the Resolutions forming part of the Annual General Meeting Notice.

INSTRUCTIONS**Process and manner for Members opting to vote by using the Ballot Form:**

1. Please complete and sign the Ballot Form (no other form or photocopy thereof is permitted) and send it so as to reach the Scrutinizer appointed by the Board of Directors of the Company, i.e. Mr. V.N. Deodhar (Membership No. FCS-1880), Proprietor of V. N. Deodhar & Co., Practising Company Secretaries, at the Registered Office of the Company, not later than September 26, 2016 (5.00 p.m. IST). For this purpose, a self-addressed prepaid envelope is enclosed and postage will be paid by the Company. The envelope bears the name and address of the Registered Office of the Company, and is to the attention of the Scrutinizer. However, envelopes containing the Ballot Form(s), if deposited in person or sent by courier or registered/ speed post will be at the expense of the Member and will also be accepted.
2. The Form should be signed by the Member as per the specimen signature registered with the Company/ Depository Participants. In case of joint holding, the Form should be completed and signed by the first named Member and in his/ her absence, by the next named joint holder. There will be one Form for every Folio/ Client ID irrespective of the number of joint holders.
3. In case of shares held by companies, bodies corporate, trusts, societies, etc. the duly completed Form should be accompanied by a certified true copy of the Board Resolution/ Authorization together with attested specimen signature(s) of the duly authorized signatory(ies).
4. Votes should be cast in case of each resolution, either in favour or against by putting the tick mark in the column provided for assent/ dissent. Members may partially enter any number in "FOR" and partially in "AGAINST" but the total number in "FOR/AGAINST" taken together should not exceed the member's total shareholding. If the shareholder does not indicate either "FOR" or "AGAINST" in case of any resolution, it will be treated as "ABSTAIN" for that resolution and the shares held will not be counted under either head.
5. The voting rights of the shareholders shall be in proportion to their shares of the paid-up equity share capital of the Company as on September 20, 2016 ("Cut Off Date") as per the Register of Members of the Company and as informed to the Company by the Depositories in case of Beneficial Owners.
6. Duly completed Forms should reach the Scrutinizer not later than the close of working hours on September 26, 2016 (5.00 p.m. IST). Ballot Form received after this date will be treated as invalid.
7. A Member may request for a duplicate Ballot Form, if so required. However, the duly filled in and signed duplicate Form should reach the Scrutinizer not later than the date specified at Sr.No. 6 above.
8. Unsigned, incomplete, improperly or incorrectly tick marked Ballot Forms will be rejected. A Form will also be rejected if it is received torn, defaced or mutilated to an extent which makes it difficult for the Scrutinizer to identify either the Member or the number of votes or as to whether the votes are in favour or against or if the signature cannot be verified.
9. The Scrutinizer's decision on the validity of a Ballot will be final.
10. Except as otherwise mentioned herein, Members are requested not to send any other paper along with the Ballot Form in the enclosed self-addressed envelope as all such envelopes will be sent to the Scrutinizer and any other paper found in such envelope would be destroyed by him. They are also requested not to write anything on the Ballot Form except giving their assent or dissent and putting their signature.
11. The results of the voting shall be declared on or after the Annual General Meeting of the Company. The Results declared, along with the Scrutinizer's Report, shall be published in newspapers, placed on the Company's website www.dil.net and communicated to the Stock Exchange where the Company's shares are listed viz. BSE Ltd.
12. Members may address any query to Mr. Srikant Sharma, Compliance Officer, at the Registered Office of the Company, Tel: 022 6623 0800 • Fax: 022 6798 0899 or by e-mail to srikant.sharma@dil.net.
