## **Independent Auditor's Report To the Members of Aegean Properties Limited**

### **Report on the financial statements**

We have audited the accompanying financial statements of Aegean Properties Limited (the company), which comprise the balance sheet as at 31 March 2012, and the statement of profit and loss and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's responsibility for the financial statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the balance sheet, of the state of affairs of the company as at 31 March 2012
- (b) In the case of the statement of profit and loss, of the profit for the year ended on that date, and
- (c) in the case of the cash flow statement, of the cash flows for the year ended on that date.

**Report on other legal and regulatory requirements**

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
  - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - (b) In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books.
  - (c) The balance sheet, statement of profit and loss and cash flow statement dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the balance sheet, statement of profit and loss, and cash flow statement comply with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956.
  - (e) On the basis of written representations received from the directors as on 31 March 2012, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2012, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

**Annexure referred to in our report to the members of Aegean Properties Limited for the year ended 31st March 2012.**

- (i) (a) The company has maintained proper records showing full particulars including quantitative details and situation of all fixed assets.
- (b) All the fixed assets have been physically verified by the management during the year and no discrepancies were noticed on such verification.
- (c) In our opinion and according to the information and explanations given to us, no fixed assets have been disposed off during the year.
- (ii) The company is not undertaking any manufacturing and trading activities, and, therefore, does not hold any inventory. Hence, the provisions of Para 4 (ii) (a), (b) & (c) of the Order are not applicable to the company.
- (iii) (a) According to the information and explanations given to us, the company has not granted any loans, secured or unsecured, to companies, firms or other parties listed in the register maintained under Section 301 of the Act.
- (b) According to the information and the explanations given to us, the company has no outstanding loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly, the provisions of clause 4 (iii) (e) to (g) of the Order are not applicable to the company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to the purchase of fixed assets. We have not observed any continuing failure to correct major weaknesses in internal controls.
- (v) Based on our examination of the register of parties maintained under Section 301 of the Companies Act, 1956, we have found that all transactions exceeding ₹ 5,00,000 that need to be entered into a register in pursuance of Section 301 of the Act have been so entered.
- (vi) The company has not accepted any deposits from the public, and, therefore, the provisions of Para 4 (vi) of the Order are not applicable to the Company.
- (vii) The Company has an internal audit system commensurate with the size and nature of its business.
- (viii) Maintenance of cost records has not been prescribed by the Central Government under Section 209 (1) (d) of the Companies Act, 1956.
- (ix) (a) We are informed that the provisions of Provident Fund and Employees State Insurance Scheme are not applicable to the company.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax, wealth tax, excise duty, sales tax, customs duty and cess were in arrears as at March 31, 2012, for a period of more than six months from the date they became payable.
- (c) According to the records of the company and the information and explanations given to us, there are no dues of income-tax, wealth tax, excise duty, sales tax, customs duty and cess, which have not been deposited on account of dispute.

- (x) The company has no accumulated losses at the end of the financial year. The company has not made any cash losses during the year.
- (xi) The company has not obtained loans from financial institutions or banks nor issued any debentures and therefore the question of reporting on clause 4(xi) of the Order does not arise.
- (xii) The company has not granted loans and advances on the basis of security by way of pledge of shares, debentures, and other securities, and, therefore, question of maintenance of documents and records in respect thereof does not arise.
- (xiii) In our opinion, the Company is not a chit fund or a nidhi / mutual benefit fund / society. Therefore, the provisions of clause 4(xiii) are not applicable to the company.
- (xiv) The Company is not in the business of dealing in shares, debentures and other securities. Accordingly, the provisions of clause 4(xiv) of the Order are not applicable to the company.
- (xv) In our opinion and according to the information and explanations given to us, the company has not given any guarantees for loans taken by others from banks or financial institutions.
- (xvi) According to information and explanations given to us, no term loans are taken during the year.
- (xvii) According to information and explanations given to us and on an overall examination of the balance sheet of the company, we report that no funds raised on short term basis have been used for long term investment.
- (xviii) During the year, the company has not made preferential allotment of shares to parties and companies covered in the register maintained under section 301 of the Act.
- (xix) The Company has not issued any debentures as at the date of Balance Sheet and hence the provisions of clause 4(xix) of the Order are not applicable.
- (xx) The Company has not raised any money by public issue during the year.
- (xxi) According to the information and explanations given to us, no fraud on or by the company has been noticed or reported during the year.

**1. Corporate information**

Aegean Properties Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is engaged in the business of renting property.

**2. Basis of preparation**

The financial statements have been prepared to comply in all material respects with the notified Accounting Standards by Companies (Accounting Standard) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on accrual basis except in case of assets for which provision of impairment is made.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

**2.1 Summary of significant accounting policies**

**a) Change in accounting policy**

Presentation and disclosure of financial statements

During the year ended 31 March 2012, the revised Schedule VI notified under the Companies Act 1956, has become applicable to the Company, for preparation and presentation of its financial statements. The adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

**(b) Use of estimates**

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

**(c) Tangible fixed assets**

Fixed assets, except land, are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

**(d) Depreciation**

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher. The Company has used rates based on the following estimated useful life of the fixed assets.

	Estimated useful life (in years)
Building	58

Assets costing below Rs. 5,000 are fully depreciated on installation

**(e) Impairment of tangible and intangible asset**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations are recognized in the statement of profit and loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in the revaluation reserve up to the amount of any previous revaluation.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

**(f) Revenue recognition**

Income from rental is recognised in accordance with the arrangement entered into as per contracted rates.

Interest on income tax refund is recognised on receipt of the refund order.

**(g) Leases****As Lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss account on a straight line basis over the lease term.

**As Lessor**

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

**(h) Income taxes**

Tax expense comprises of current tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961, enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

**(i) Provisions**

A provision is recognised when the Company has a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

**(j) Contingent liabilities and contingent assets**

Contingent assets are not recognized in the financial statements of the Company. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare case where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

**(k) Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

**(l) Cash and cash equivalents**

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

**(m) Measurement of EBITDA**

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present earnings before Interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the Company does not include depreciation and amortization expense, finance costs and tax expense.
